- Work in Progress
- Q & A

# Motivation

- ▶ Generation of pre-annotated training data from Gazebo simulation for various purposes
- ▶ Annotated features:
  - ▶ Position
  - ▶ Orientation
  - ▶ Segmentation
- ▶ Export as standard dataset

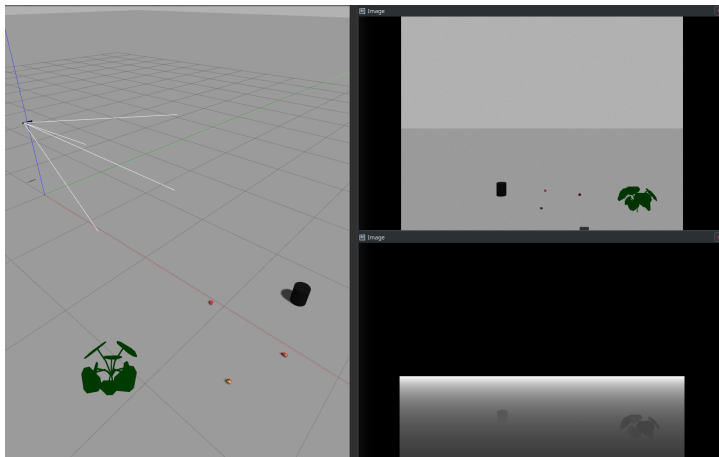

# Previous Work

- ▶ World simulation
- ▶ Simulated RGB & depth sensors
- ▶ Simulation state publishers

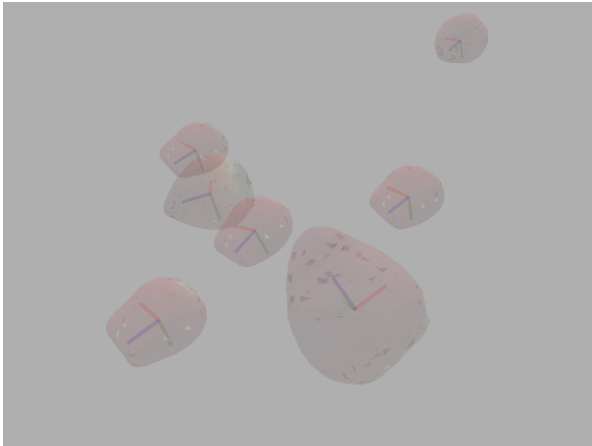

# World Simulation

# Simulated Sensors

# Simulation State Publishers

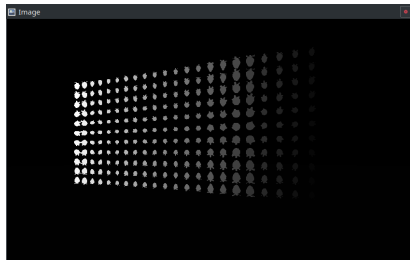

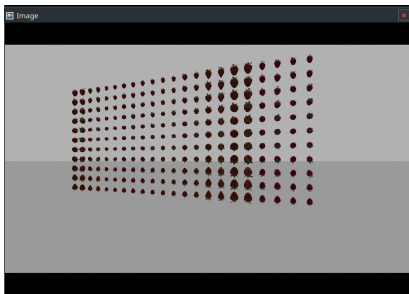

# Work in Progress

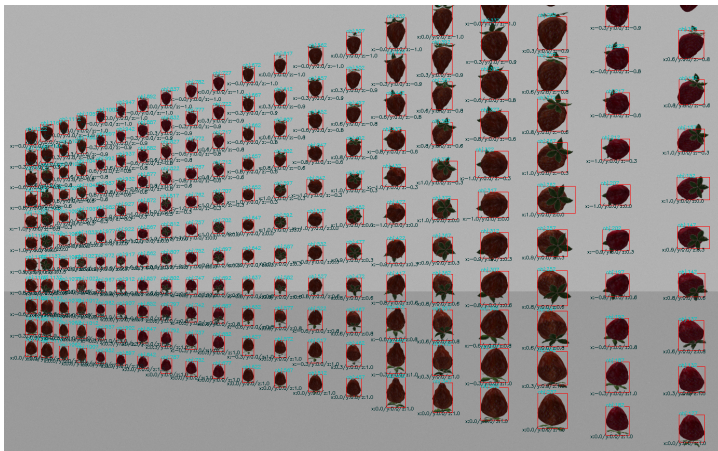

- ▶ Segmentation plugin
- ▶ Automated annotation tool
- ▶ COCO-like dataset export

# Segmentation Plugin

# Annotation / Dataset Tool

# Demo!

# Questions?
